Are you a London Event organiser who involves volunteers?

Make sure you benefit from the many volunteers who would like to help out at events in London this year.

What are the benefits?

The calendar brings together events from sports, arts, culture, heritage and the environment in one easy-to-use online resource.

Events of all sizes can benefit from the London Events Volunteering Calendar and our online resources. As an event organiser, you can use them to:

- enable potential volunteers to find roles, get directions and contact you directly
- benefit from online templates and get an event organiser's checklist
- learn how to involve and support volunteers well in your event
- get events seen by Volunteer Centres, Personal Best and V-involved advisor
- connect up with a Volunteer Centre for specific support
